

2007 FIELD TRAINING CONFERENCE

September 5th & 6th, 2007

Indianapolis Metro Training Academy, Rm 209.

901 N. Post Rd. Indianapolis, Indiana 46219

In-NAFTO is proud to present the 2007 Field Training Conference. This annual training conference is designed to provide in-service training for field training officer's, managers, and coordinators.

The training will start at 8:30 a.m. on Wednesday Sept. 5th and end at approximately 5:00 p.m. Peachey will be the featured instructor in the 5th. Class will start at 8:30 a.m. on Thursday Sept. 6th and end at approximately 12:00 p.m. Class schedule for the 6th will consist of an FTO Software showcase involving DesignPD, Thin Blue Line, IFLETA, and more. Cost for the Training is only 40 dollars which will go to paying for your membership in NAFTO

Peachey

Peachey as he likes to be called retired in 2001 from the North Carolina State Highway Patrol. While with the Highway Patrol he revised and coordinated the FTO Program. Prior to joining the Highway Patrol he was a Police Officer and Deputy Sheriff.

He currently is an Associate Instructor with Kaminsky & Associates. He also teaches supervision and communication courses. He serves on the Board of Directors for N.A.F.T.O.

He now lives in Florida and enjoys fishing, golf and doing as little as possible.

Communication Wellness

AM Session

During this workshop we will discuss the following:

- The importance of how we communicate affects our health.
- How your communication style impacts the training environment.
- How the manner in which you communicate will improve your officer safety practices.

Those attending will be asked to complete an assessment of their individual communication style. There will also be practical exercises to demonstrate correct communication techniques. The overall goal is to increase your safety and prolong your life by improving the manner in which you communicate.

Training vs. Learning

PM Session

This workshop will focus on the difference between delivering training and establishing a learning environment. Participants will be provided with the following information which will help them move from trainers to learning facilitators:

- How to encourage the Trainee to want to learn.
- What happens in the workplace learning process.
- How to transform from the traditional training process to a learning process.
- How to build a climate that encourages learning.
